EU DECLARATION OF CONFORMITY

--- microfertile® plant ---

(According to Regulation (EU) 2019/1009 of the European Parliament and of the Council on EU fertilising products)

Standard / Specification	Title
CEN/TS 17703	Determination of chromium VI
EN ISO/IEC 17025:2017	General competence of testing laboratories (used for subcontractor lab)

Where applicable, common specifications according to Art. 14 are not yet available; therefore, the above standards were used in full.

6. Declared characteristics and compliance

The product meets all relevant requirements of Annexes I, II, and III of Regulation (EU) 2019/1009, in particular:

- **Limits for contaminants (Annex I, Part II, point 3):** Complies with all maximum levels (Cd, Cr VI, Pb, Hg, Ni, As, Cu, Zn).
- **Agronomic efficacy claims:** The claimed effects (increased tolerance to cold and frost stress, improved germination, increased green biomass and chlorophyll content, enhanced photosynthesis, yield improvement) have been substantiated by trials conducted in accordance with CEN/TS 17700-1, -3 and -4.
- **Labelling (Annex III):** The product label includes CE marking, NB ID, batch number, storage instructions, and all mandatory information.

7. Additional information (optional)

- The product does **not** contain living microorganisms; therefore CMC 7 is not applicable.
- The product is listed in the FiBL input list for organic farming (Germany/EU).

8. Sole responsibility statement

I, the undersigned, hereby declare that the information contained in this declaration is true and accurate, and that the product identified above complies with all applicable requirements of Regulation (EU) 2019/1009.
